We work with a select choice of suppliers that we know and trust to deliver premium products at a fair price.

Les Caves de Pyrene are natural and bio dynamic wine experts supporting many small independent vineyards. Hills Prospect are long-established high-quality drinks partners who have an exceptional range of premium wines and spirits. George Barbier is an old friend and local fine wine retailer supplying most of the Michelin establishments in the UK. We work with a number of local English Vineyards to offer a selection of the amazing quality wines now being produced in the UK.

Our food products are sourced as locally as possible using artisan food producers whom we have worked with for many years and have built up relationships of trust and respect. Menus are written and printed daily and dishes prepared with skill in our own style.
